

## QUARTERLY NEWSLETTER - SPRING 2016

### Lots of Joy in Leeds

It was good to meet together recently, enjoy friendship and share in the simple aspects of our outreach ministries. It was a happy time with each member adding quality as we progressed through the short agenda suggested by Richard Hardy.

Gary reported on progress of our Bible students.

Colin was presented with his L.Th. Certificate.

Ian thanked those who had helped and encouraged him in his work and research.

Dorothy set up the refreshments in the dining room for our interval break.

Work on an information leaflet regarding our ministries is to be carried out.

Membership of our group is to remain completely free of charge.

Outreach on websites and Facebook will continue on a daily basis.

Clifford and Shirley sent their regards to all with the assurance of continuing prayer support.

The Lord was glorified and his Word honoured in its entirety.

### Colin Ryan writes:

We are both still facing health problems, Brenda more so than myself. She is having blood tests to try to find out what is really wrong with her. But she keeps cheerful and helps me in all things. I see the doctor again early Friday morning. Brenda sees the doctor on Wednesday.

Even though this has been a hard time for us, since we got back from Leeds, the Lord has wonderfully blessed us. Never in our married life have we been so busy for Him. We had meetings, starting with the prayer meeting last Thursday, the House meeting Friday, the Quarterly Men's breakfast on Saturday, two services (the morning special one had around 100 people there) followed by another meeting Monday afternoon. Tuesday was free, but mum had some legal problems to sought out. Today was Lunches Together, at which I was the speaker. Prayer meeting tomorrow. Then I am preaching on Sunday afternoon, as the speaker that was booked has had a heart-attack.

When we have a few hours at home, Brenda tends to sleep and doing so the Lord revives her wonderfully.

### Gary Hall writes:

It was a blessing to meet with the members of the Fellowship of Evangelists and Ministers on the 2nd of April. We knew the Lord was with us, especially since, once again, we had a problemless and profitable meeting regarding the work of FEM. Thanks to Dorothy and Frank for holding the meeting in their home and supplying a much appreciated lunch for the weary travellers.

Please keep the work in prayer, including the academic part of the ministry. We desire to reach out with the Gospel to the entire world. We

have just enrolled a student from the United States on one of our courses.

Living Word Bible Church here in Liverpool, though a small group, is ever eager to continue to take the Message of the Cross to the world via tracts, personal witness, Facebook, Twitter and our website.
